OBLIGATIONS TO ATTEND COURT

Even though a party to proceedings in Court may have a lawyer, the Federal Magistrates Courts are increasingly requiring the parties to physically attend every time their matter is in Court.

Recently in Brisbane a Federal Magistrate made a costs order against a Husband who failed to attend Court for a procedural mention despite the attendance of his Solicitor.

We recommend all clients attend Court for all Court events, as after all, this is your case and it is important you know what is going on and what you can expect.
